## CONCERNING SOLID WASTE DISPOSAL IN CASWELL BEACH **(Revised 07/15/2010)**

**To: Owners of Houses Located on Caswell Beach Rd, Caswell Dunes Condos & OI Bch Villas**  
Twice a week pickup on Caswell Beach Road (including OI Beach Villas and the Caswell Dunes Condos) will begin **Wednesday, June 02, 2010 and continue through Wednesday, Sept. 08, 2010.**

- Town requires:**
- (1) Roll out of garbage containers to curbside **no earlier than** 4 PM on the evening before the day of garbage collections or early the morning of collections.
  - (2) Roll back **no later than** midnight on garbage collection day.  
**\$25 violation penalty** per occurrence

In an effort to assist in addressing situations that could make it difficult to meet these requirements, the Town of Caswell Beach has provided several garbage and recycling containers (polycarts) in racks located near the intersection of Jack B. Cook and Robert L. Jones St (in the overflow parking area for Caswell Beach Town Hall). These containers should be used by property owners/renters/visitors upon their departure **if regular garbage or recycling collection has already been completed.** **Garbage must be securely contained in plastic garbage bags and placed inside appropriate container.**

Green recycling bins are collected **ONLY** once per week, only on **Saturday**. The Town encourages recycling. Every house is **required** to have one or more recycling bins. It is unlawful to dispose of aluminum cans in garbage carts. Call: **910-278-5471 or 1-800-814-4544** for recycling bins. Recycling polycarts are provided at regional beach parking lot across from Progress Energy's pumping station.

Houses and condos are required to have a sufficient number of rollout containers to **completely handle** all trash. It is advisable that **every rental property** have **two or three rollout containers** to provide sufficient space to handle the trash. Cardboard boxes and plastic bags **do not meet** this requirement. Call **1-888-445-2502** for additional carts. A recycling container for cardboard is located on southside of Town Hall (free & accessible 24 hrs/day, 7 days/wk). Break down boxes and place cardboard inside the recycling container, not alongside.

The Town picks up yard waste only twice a year in spring and fall (announcement of dates posted in advance). All other times, yard waste must be taken to the convenience site (at Doshier Cutoff/Hwy 133) or landfill (Hwy 17) for disposal (call Waste Industries **1-800-814-4544** for convenience site/landfill hours of operation). Waste Industries will **not** pick up building materials, brown/white goods, furniture (including beach chairs and umbrellas). Dispose of large items at convenience site or landfill (associated fee) or for private contractor numbers, go to the Town website or call the Town Hall.

### **TOWN ROLL BACK PROGRAM – Caswell Beach Road only**

The Town provides year-round rollback service to residents on Caswell Beach Road for a fee of \$140 per residence. **This fee must be paid in full at Town Hall not later than June 30, 2010** and the fee will not be refunded or prorated for any reason. Those participating in this program will have their carts and bins returned to the house on the day of collection. **PLEASE PRINT CLEARLY**
