

## Mayor's Message

***Welcome to Caswell Beach... and thank You for visiting the Caswell Beach website.***

As Mayor of our amazing town, I look forward to continuing the legacy started by my predecessor.

I plan to proceed with building a civically engaged community by sharing our many talents and working cooperatively together. My goal is to keep our unique, small beach town, making Caswell Beach a safe community where neighbors and visitors feel secure. As Mayor, I encourage everyone to enjoy our special town, beautiful beach, and its wildlife.

If you do not find the information you are looking for on our website, please allow us to assist you by contacting Town Manager Joseph Pierce at jpierce [at] caswellbeach.org who will be happy to help you.
